

# Commercial Heating Equipment Tune-up Rebate

## INSTRUCTIONS

1. Schedule a furnace or boiler tune-up with a certified contractor.
2. Customer should fill in the "Customer and Property Information" section of this form and give it to the contractor.
3. Contractor should fill out the rest, and send with itemized invoice to:  
Greater Minnesota Gas, Inc.  
Attn: Rebates  
P.O. Box 798  
Faribault, MN 55021
4. GMG will apply rebate to next customer bill.

## REBATE RULES

- Eligible furnaces and boilers must burn natural gas and be the primary heating source in a business in Minnesota served by Greater Minnesota Gas, Inc.
- Equipment must be serviced by a licensed HVAC contractor.
- A customer may apply for this rebate every two years.
- Contractor invoice must be included with this application.
- Rebate funds are limited and will be paid on a first-come, first-served basis.
- Equipment serviced under a third-party service plan does not qualify for the rebate.
- This form must be submitted within 90 days of service date or postmarked by December 31st, 2023, whichever comes first.
- Rebate amount will be \$0.40 per MBTUh (size of system serviced).
- Paid invoice must show that the rebate was not subtracted from the total amount.
- Rebate will be credited on Greater Minnesota Gas account entered below.
